### ABOUT THE ARTIST AND TEACHER

Elaine Cimino has developed art curricula for all ages and all levels of experience.

Ms. Cimino is New Mexico's artist-in-residence and she provides art curricula, painting and drawing portfolio critiques and development and private art lessons for all ages. She taught visual art and art history for 20 years.

# Born to Draw

## CHILDREN'S ART LESSONS

"Drawing enriches any curriculum by developing observational skills, visual intelligence and creating conceptual thinking skills. Nurturing creativity and creating safe environments is imperative in order for children to feel free to express and learn. This is one of the most important aspects of teaching art to children...."

— Elaine Cimino
