

## Pastel Materials List

Pastel chalks, set of 12-24, non-toxic,

1 box of 12 nupastel hard by prismacolor

2 blending sticks (pastel and charcoals)

Box of Charcoal Square pastel sticks

1 Ebony pencil or #6 graphite or HB pencil

2 Hand held pencil sharpener

Small makeup sponge

Chamois

Exacto Knife and blades with triangle slip on to prevent rolling.

Sandpaper pad.

Kneaded erasers

Pink pearl Eraser

1 pad of Multi-purpose paper

1 pad of pastel paper

A fishing box or other plastic box to carry art supplies are needed to carry supplies in (may purchasing this item individually).

1 can of non-toxic fixative for pastels/charcoal.

if purchasing your supplies separate from a classroom setting.  
(Non-toxic Hairspray will work too! However, it may cause yellowing of paper over time) If you don't fix the finished pastel piece it will not stay on the paper and will smear all over other artwork. Best to put a blank sheet of paper over the pastel after it dries in order to store in portfolio.
